Log into your DAO1 account and check you have bridged enough funds across to purchase your product. You will see your funds at the top of your account under '**Total Balance**'. If you do not have funds in your account, refer to previous guides where we step you through how to do this. Click on '**Store**' in the top menu.

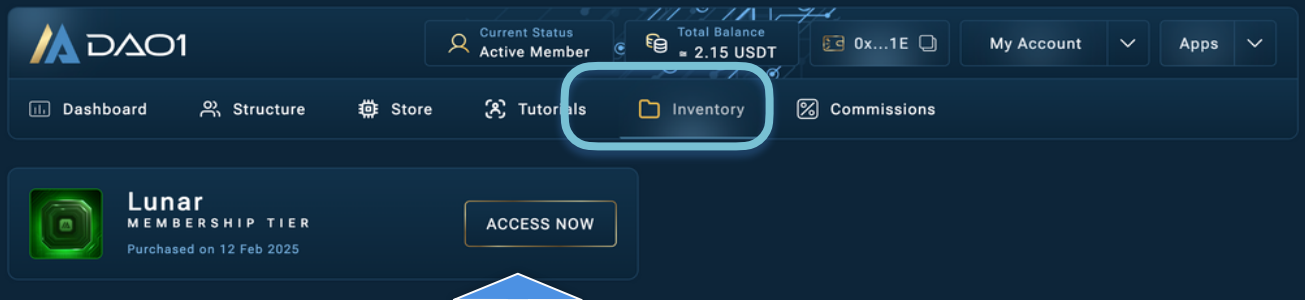

To view the details of the product you intend to purchase, press '**View Details**', otherwise if you're ready to purchase click '**Buy Now**'.

You will then be asked to confirm the request and the transaction.

Click 'Inventory' at the top of your DAO1 account and you will see your newly purchased product there. You may need to refresh the page if it doesn't show up right away.

If you click 'Access Now' you will see all the details for the product you just purchased. In this case (screenshot below) you can see that the miner is charging.

After a while it will change to 'Mining Started'.

Later guides will explain the next steps further, such as claiming rewards once they are ready.
